Qualifi Level 3 Diploma in Health and Social Care

Course Overview

The Level 3 Diploma Health and Social Care has been created to develop and reward the health and social care workers of today and the future, and to continue to bring recognition and professionalism to the health and social care sector.

This qualification provides a generic core of mandatory units that apply to all health and social care contexts; and allows learners to select specialisms in the optional units.

Mandatory Units

- An Introduction to Health and Social Care
- Communication for Health and Social Care
- Promoting Health in the Population
- Person-Centred Care

Optional Units

- Understanding Diabetes Care
- Understanding Stroke Care
- Understanding Dementia Care

Progression Pathways

Upon completing this Level 3 diploma, learners can progress to the Qualifi Level 4 Diploma in Health and Social Care, or the first year of undergraduate study in health and social care.

Learners can also step directly into employment in an associated profession.

Entry Requirements

Learners will be expected to hold a Level 2 qualification and/or work experience in the health and social care sector and demonstrate ambition with clear career goals. Or a Level 3 qualification in another discipline.

“Qualifi has helped me to progress & complete my higher studies in a short time period and it’s so flexible to study. I’ve gathered a lot of knowledge and I’m so thankful to everyone who helped at Qualifi.”
