

Qualifi Level 4 Diploma in Information Technology

An Ofqual Regulated Qualification

QUALIFI

SUCCESS THROUGH LEARNING
RECOGNISED WORLDWIDE

An Ofqual Recognised Awarding Organisation

Qualifi Level 4 Diploma in Information Technology

Qualifi is a leading 21st-century awarding organisation founded to meet the developing education and training needs of learners and employers from the UK and around the globe.

As a recognised UK awarding organisation, regulated by Ofqual, Qualifi is able to give assurances to employers, centres and learners of consistent, rigorous, quality standards and valid, valued learning.

Message from Dr Penny Hood - Chair Governance Council

I warmly welcome you to our global academic community, of which you are now an important member. Qualifi will ensure your access to the first class education needed to achieve your goals and dreams and to maximise future opportunities. May I take this opportunity to wish each of you success and enjoyment on your academic journey.

Message from Jason Goodyear - Chief Executive Officer

Whether you are a learner, employer or centre, I want to personally welcome you. In partnership with employers and learning centres, Qualifi helps learners develop the knowledge, skills and abilities needed for success in the 21st century. Thank you for choosing Qualifi to lead you on this learning journey.

Progression Details

The Qualifi Level 4 Diploma in Information Technology is accredited at Level 4 with a total equivalence of 120 credits. It is envisaged that learners completing the Level 4 diploma will progress to Qualifi Level 5 diplomas in IT.

“Qualifi is our proud partner helping shape a brighter future in global education, that empowers progress through better education for learners from all communities. Their practical approach to assessments and learning material are key to building skills and to progressing in one’s career.”

Dr. Saleem Afzal

City University College of Ajman

Qualifi Level 4 Diploma in Information Technology

Course Overview

The Qualifi Level 4 Diploma in Information Technology programme has been created for learners who wish to develop a broad base of knowledge and skills that will enable them to work in a variety of roles in the information technology industry, notably in programming, website design or PC maintenance.

The technical skills and knowledge delivered through the successful achievement of the qualification are required and recognised internationally.

Mandatory Units

- Information Technology and IT Ethics
- Mathematics and Statistics for IT
- PC Maintenance and Operating Systems
- Computer Graphics Editing and Database Concepts

Optional Units

- Logical IT Networking
- Physical IT Networking
- Web Programming
- Graphical User Interface
- Programming Concepts and Java for Android Programming

Progression Pathways

Upon completing this Level 4 diploma, learners can progress to Qualifi Level 5 diplomas in IT, or the second year of undergraduate study in computer science, information technology or a related subject. Learners can also step directly into employment in an associated profession.

Entry Requirements

Learners will be expected to possess qualifications at Level 3, for example 'A' Levels or vocational awards. Or learners should have spent some time in an organisational role and shown they have capability and drive to develop.

"Qualifi has helped me to progress & complete my higher studies in a short time period and it's so flexible to study. I've gathered a lot of knowledge and I'm so thankful to everyone who helped at Qualifi."

Student
City University College

Learning Outcomes

The learning outcomes of the diploma are:

- **Understand and apply** the principles of IT in a range of business environments.
- **Analyse problem solving** techniques specific to business and industry.
- **Select, collate, review** and analyse information from a wide range of sources.
- **Improve the employability** of learners by allowing them to explore the relationship between management theories and their practical application in the IT world.

Career Opportunities

Primary areas of employment include:

- IT Consultant
- Software Engineer
- Web Developer
- IT Technician
- Cloud Architect
- Systems Analyst
- Network Engineer

"Qualifi awarding body is very practical and useful for managers to tackle a variety of the problems in the real corporate world. The contents are accredited by OfQual and it is evident how a UK qualification is worthwhile"

Dr. Motohiro Kita
CEO of ExeJapan

Relevant, Accessible & Credible
