

# Qualifi Level 5 Diploma in IT – E-commerce

An Ofqual Regulated Qualification

**QUALIFI**

SUCCESS THROUGH LEARNING  
RECOGNISED WORLDWIDE

An Ofqual Recognised Awarding Organisation

# Qualifi Level 5 Diploma in IT – E-commerce

Qualifi is a leading 21st-century awarding organisation founded to meet the developing education and training needs of learners and employers from the UK and around the globe.

As a recognised UK awarding organisation, regulated by Ofqual, Qualifi is able to give assurances to employers, centres and learners of consistent, rigorous, quality standards and valid, valued learning.

## Message from Dr Penny Hood - Chair Governance Council

I warmly welcome you to our global academic community, of which you are now an important member. Qualifi will ensure your access to the first class education needed to achieve your goals and dreams and to maximise future opportunities. May I take this opportunity to wish each of you success and enjoyment on your academic journey.

## Message from Jason Goodyear - Chief Executive Officer

Whether you are a learner, employer or centre, I want to personally welcome you. In partnership with employers and learning centres, Qualifi helps learners develop the knowledge, skills and abilities needed for success in the 21st century. Thank you for choosing Qualifi to lead you on this learning journey.

## Progression Details

The Qualifi Level 5 Diploma in IT – E-commerce is accredited at Level 5 with a total equivalence of 120 credits. It is envisaged that learners completing the Level 5 diploma will progress to the final year of an undergraduate degree.

“Qualifi is our proud partner helping shape a brighter future in global education, that empowers progress through better education for learners from all communities. Their practical approach to assessments and learning material are key to building skills and to progressing in one’s career.”

**Dr. Saleem Afzal**

*City University College of Ajman*

# Qualifi Level 5 Diploma in IT – E-commerce

## Course Overview

The Qualifi Level 5 Diploma in IT – E-commerce programme provides a career path for learners who wish to develop a broad base of knowledge and skills that will enable them to work in a variety of roles in the IT industry, notably in B2B and B2C E-commerce.

The technical skills and knowledge delivered through the successful achievement of the qualification are required and recognised internationally. Learners will also learn about entrepreneurship in a techno environment.

Learners must achieve all four core units and two elective units.

## Mandatory Units

- **Technopreneurship**
- **Network Security**
- **C#.NET Programming**
- **System Administration**

## Optional Units

- **Business to Business (B2B) E-commerce**
- **Business to Consumer (B2C) E-commerce**

## Progression Pathways

Upon completing this Level 5 diploma, learners can progress to the final year of an undergraduate degree in information technology, computer science or related subject, or Qualifi Level 6 Diplomas.

Learners can also step directly into employment in an associated profession.

## Entry Requirements

Learners will be expected to possess qualifications at Level 4.

Learners could have spent some time in an organisational role and shown they have capability and drive to develop.

“We work well with Qualifi. They are serious in their management, compliance & governance. This gives us a lot of confidence that their qualifications are fit for purpose and are well recognised by Universities.”

**Matt Holden**  
*Online Business School*

## Learning Outcomes

The learning outcomes of the diploma are:

- **Understand and apply** the principles of IT in a range of business environments.
- **Analyse problem solving** techniques specific to business and industry.
- **Select, collate, review** and analyse information from a wide range of sources.
- **Improve the employability** of learners by allowing them to explore the relationship between management theories and their practical application in the IT world.

## Career Opportunities

Primary areas of employment include:

- Network Engineer
- IT Consultant
- Software Engineer
- Web Developer
- IT Technician
- Cloud Architect
- Systems Analyst

“Qualifi awarding body is very practical and useful for managers to tackle a variety of the problems in the real corporate world. The contents are accredited by OfQual and it is evident how a UK qualification is worthwhile “

**Dr.Motohiro Kita**  
*CEO of ExeJapan*
