Qualifi Level 7 Certificate in Aesthetic Practice

Course Overview

The Level 7 Certificate in Aesthetic Practice qualification has been created to provide a career path for learners who wish to develop their aesthetic practice capabilities within the health and aesthetic sector.

The expected outcome of the Certificate, which is the achievement of a recognised UK qualification, is for learners to develop the skills required by organisations and the aesthetic industry globally. This qualification will prepare learners for employment and support a range of roles in the workplace.

Mandatory Units

- Facial Aesthetics Consultation
- Psychology of Facial Aesthetics
- Botulinum Toxin Injections to the Face and Neck
- Temporary and Reversible Dermal Fillers to the Face and Neck
- Management of Complications and Medical Emergencies

Progression Pathways

Upon completing this Level 7 certificate, learners can step directly into employment in an associated profession.

Entry Requirements

Learners will be expected to hold a Level 5 Certificate in Aesthetic Practice or a degree.

Learners may also possess current and valid Basic Life Support (BLS) and anaphylaxis management training.

“I’m currently studying for my MBA Top-Up at Anglia Ruskin University. This is because I was able to gain a good understanding of business strategy and research through my Qualifi Level 7 Diploma, that I completed at Executive Japan.”

Keiichi Suyama

Learning Outcomes

The learning outcomes of the certificate are:

- To understand and apply the principles of aesthetics treatments.
- Improve the employability of learners by allowing them to explore the relationship between aesthetic theories & their practical application in the aesthetic world.
- Analyse problem-solving techniques specific to the aesthetic industry.
- Manage one’s own personal development and growth.
