Qualifi Level 7 Diploma in Strategic Management & Innovation

Course Overview

The Level 7 Diploma in Strategic Management & Innovation qualification has been created to develop and reward the business managers of today and the future, and to continue to bring recognition and professionalism to the management sectors.

This level 7 programme will require Learners to critically evaluate, challenge and synthesise a wide range of current management tools, techniques and models.

The emphasis placed on current management concepts and models is on those that are relevant to the 21st century business environment and context.

The programme consists of seven mandatory units.

Mandatory Units

- Finance for Managers
- Strategic Direction
- Strategic Marketing
- Human Resource Planning
- Marketing Strategy for Social Enterprise
- Global Marketing
- Strategic Management

Progression Pathways

Upon completing this Level 7 diploma, learners can join a university partner to complete a dissertation to then receive a full master’s degree.

Learners can also step directly into employment in an associated profession or progress to the Qualifi Level 8 Diploma in Strategic Management and Leadership.

Entry Requirements

Learners will be expected to hold a Level 6 qualification or a first degree. In certain circumstances, managers with considerable experience but no formal qualifications may be considered.

“I’m currently studying for my MBA Top-Up at Anglia Ruskin University. This is because I was able to gain a good understanding of business strategy and research through my Qualifi Level 7 Diploma, that I completed at Executive Japan.”
Keiichi Suyama
