Subject: Notification of Approval for a Regulated Qualification

Dear Jason

I am writing following your submission for approval of the **QUALIFI** Level 2 Adult Social Care Certificate qualification.

As the strategic workforce development and planning body for adult social care in England, Skills for Care develop qualification criteria documents in partnership with the adult social care sector.

We are pleased to confirm that the qualification referenced above has been developed in-line with the Department of Health and Social Care's workforce reform agenda against the appropriate qualification specification, and has now been reviewed and approved by Skills for Care.

The **QUALIFI** Level 2 Adult Social Care Certificate qualification will enable learners to develop occupational competence at the start of their career in social care and reflects the needs, strengths, and aspirations of the intended audience and of the adult social care sector.

Yours sincerely,

Rob Newby
Head of National Workforce Development Capability & Skills
